

# Colorectal Cancer Awareness Month

preventable • treatable • beatable

## Dine with Docs at Suburban Community Hospital

March is Colon Cancer Awareness Month. The Cancer Center at Suburban Community Hospital invites you to a special "Dine with the Docs" & healthy cooking event to prevent colon cancer.

Dr. Christopher J. Bruce

Dr. John J. O'Connor

Dr. Christopher J. Bruce MD, FACS, board certified General & Colon-rectal Surgery, and Dr. John J. O'Connor, board-certified in both Internal Medicine and Gastroenterology, will be on hand to share cancer prevention information and hold a Question & Answer session.

Our hospital Dieticians will also be hosting a cooking demonstration and providing tips on healthy eating to prevent cancer!

**Tuesday March 29th**

6pm to 8pm

**Cancer Center Conference Room  
Suburban Community Hospital**

Food, Refreshments, give aways , and a free raffle for a healthy living gift basket. Come learn how to prepare healthy, fun foods!

To reserve your spot today please call 610-278-2510
